December Meeting

The December 17th club meeting will not be at Cutter this month. Instead, we are meeting at Aviation Training & Resource Center (ARTC) in Carrollton. Owner Ray Heyde has offered to allow our members to try out all their simulators at no cost! Those that bring their flight logs may be able to log the time flying with a CFI as actual flying. We hope to have the CFI's there to do that. Plan on meeting around 9:00am to get started by 9:30 am
