Our Holiday Party

Mark your calendars!

Our Second Annual Holiday Party and Pot Luck Dinner will feature live music or a DJ and a ton of fun.

December 10th
5:30 pm Saturday
at Garry Ackerman's hanger

Bring the family! It's pot luck so we'll be asking for side dishes and desserts. We'll discuss the logistics at the November meeting. More information on that will be emailed later. The main course and drinks will be provided.

Angel Flights

We are very proud of member Kurtis Sampson, who routinely and generously transports patients through the Angel Flight organization.

Gary and wife Janet with Kurtis Sampson.

"My first Grace Flight passenger was a nine month old baby and his mother going from McKinney TX to Arkansas. I flew the first leg of a three leg mission that would take them to Cincinnati, OH for treatment.

I have flown eight missions in the year and half and every one was very rewarding while doing something I enjoy. My latest flight was for Gary and his wife Janet.

The doctors told Gary that he had 6 months to live four years ago. Gary and wife attribute Grace Flight providing the many needed trips to Houston, MD Anderson, for Gary being alive today. BTW, you will be seeing a new (old) name; recognizing the significant brand value of the Angel Flight name and desiring to

return to our strong focus on our core market of the South Central United States, we are returning to the Angel Flight South Central name and renewing our deep relationship with pilots in Texas, Louisiana, Arkansas, Oklahoma, and New Mexico."
Kurtis Sampson

The mission of Angel Flight South Central is to help people in need of free air transportation for medical and humanitarian purposes.

December Meeting

The December 17th club meeting will not be at Cutter this month. Instead, we are meeting at [Aviation Training & Resource Center \(ARTC\)](#) in Carrollton. Owner Ray Heyde has offered to allow our members to try out all their simulators and no cost! Those that bring their flight logs may be able to log the time flying with a CFI as actual flying. We hope to have the CFI's there to do that. Plan on meeting around 9:00am to get started by 9:30 am

ARTC
2550 East Trinity Mills Rd, in Suite 126
Carrollton, TX 75006

Fly the Redbird Flight Simulator

Carrollton, Texas

If you haven't already, visit Aviation Training and Resource Center (ATRC) and practice flying in the Redbird FMX. It has panel setups that support 4 aircraft configurations:

Cessna 172 with 6-pack instruments
Cessna 172 with G1000 instruments
Cirrus SR-22 with Avidyne instruments

B-58 Baron with 6-pack instruments.
2550 East Trinity Road, Suite 126

We Want Your Photos

This month's photo is compliments of member Layton Hill. It was taken from N73192 over the southern part of Lake Eufala in Eastern OK.

If you've been paying attention, you know that the picture we use as a header for our monthly newsletter is always different. So we are asking the membership for photo submissions.

All of us have great pictures that we've taken from the air. Email us your favorites with a short description and we'll publish a different one every month.
