The Newest Addition to Our Fleet

After the meeting, walk over to the north ramp and check out our new Cessna 172S.

The NTxFC has signed the lease on a 2008 C-172S. It's a like-new plane with the G1000 glass panel.

Insurance requirements are for pilots to be checked out in this plane by a Club CFI. Instrument pilots will need to do an instrument competency ride with a Club CFI. Rent is \$155/tach-hour.

Receipts

NTxFC
Deanna Paske
8109 Blacktail Trail
McKinney TX 75070

Model: Cessna C172S
Description: Four place fixed gear single
Normal Cruise Speed: 130 mi/hr
Fuel Capacity: 50 gal
Range: 600 miles
Max Gross Weight: 2550 lbs
Useful Load : 700 lbs

And don't forget the C120 tail dragger is also online.....
If you haven't sat in her, she's parked at the north ramp!

Rough River Fly-In

Last month, David Williford attended Rough River, a gathering of everything that is Canard.

David Williford

You may remember David bought his Stagger EZ a few months ago. Here's what he said about the fly-in:

"It was terrific! Absolutely beautiful weather. A little chilly at night and barely warm sunny days. Rough River overlooks a beautiful river so the views were off the charts. Everything was green and lush.

About 64 canards of all different kinds flew in. A couple of

RV's, a Beach Sundowner, Cherokee, and a helicopter! Many were looking forward to "The Stagger EZ" coming in and we did not disappoint!

Lots of folks came up and visited with me about Steve Wright, and their experience with the plane. It was apparent that it is a special airplane to fellow members of "Central States". They even did a slide show of him and the plane during the banquet hall meeting. Several were curious enough to meet it's new owner. Everyone was so very nice.

*The lodge was really cool, my room over looked the river and was very nice. The food was also very good as well.
I'll be going back again next year!"*

David

Education

[Fly the Redbird Flight Simulator](#)

Carrollton, Texas

If you haven't already, visit Aviation Training and Resource Center (ATRC) and practice flying in the Redbird FMX. It has panel setups that support 4 aircraft configurations:

Cessna 172 with 6-pack instruments
Cessna 172 with G1000 instruments
Cirrus SR-22 with Avidyne instruments
B-58 Baron with 6-pack instruments.
2550 East Trinity Road, Suite 126
Carrollton TX

We Want Your Photos

This month's photo is compliments of Alba Dorsch. The picture was taken on the first club flight on the new 172S. Garry Ackerman is PIC. For more photos go to ["Welcome N106KA"](#)

If you've been paying attention, you know that the picture we use as a header for our monthly newsletter is always different. So we are asking the membership for photo submissions.

All of us have great pictures that we've taken from the air. Email us your favorites with a short description and we'll publish a different one every month.
